Les Wood, PS Tom Clague (Community Police Team Leader), PC Steven Miller (Community Police Team). Members of the public included M Robertson, J Leslie, H Cunningham, S Inglis & Ann Currie.

- 1] **Madam Chairman's Welcome / Apologies:** Madam Chairman welcomed everyone to the meeting ... Apologies were received from Kate Findlay (Treasurer), Graeme Whyte, Janet Miller, Cllr. Jim Tolson
- 2] **Minutes:** The Minutes of the last meeting were read and approved. They were moved by Lilah McKay and seconded by Tom Brand.

3] **Police Report**

Because of the police presence it was decided to take their report first, PS Tom Clague introduced himself and PC Steven Miller, he stated that there were very few crimes to report. The parking issues at QMH were discussed in detail, the police were taking a common sense approach to this issue and only the most serious offenders targeted, because the QMH management were trying to reduce the problem by trying to increase the parking and were being halted by planning issues. The parking issues on Robertson Rd. next to the Dr. Surgery and the grass verge damage. If offenders used the parking available at the football ground on Robertson Road then this would alleviate some of the problem. This Problem will be ongoing and we will be monitoring. Another issue was about a resident of Balvaird Place complaining of youth behaviour around Paton St. Community Centre it was stated that if individual incidents were not reported then no action could be taken, we were aware that this area was being covered by regular Police patrols and that any unruly behaviour would be dealt with.

Matters Arising From Minutes:

- 1] Coop ground maintenance, hopefully this issue has been resolved as the COOP are responsible for the ground maintenance.
 - 2] Parking issues covered
 - 3] Planning issues, letters of complaint about no reply have been written but no reaction as yet.
 - 4] Colliston Rd. Flooding problem, no reply from Brent Vivian [Fife Council] but work has been carried out and hopefully this will resolve the water issue. There are Concerns over the lack of Council response to these problems. Flooding issues on the lane from Alderston Rd. to Robertson Rd. these have not been addressed and could cause a dangerous situation..
 - 5] Safety Barriers still in hand, Duty of Care on the Council to provide a barrier.
 - 6] Bus Shelter to be moved as planned to be kept on the agenda.
 - 7] Unacceptable write of way through gardens on Robertson Rd.
 - 8] Ground Maintenance Questionnaire for Smart Holmes
 - 9] Smart Holmes Questionnaire has been delivered to residents about volunteering for a residents committee,
- 4] **Madam Chairman's Report:** The chairman had nothing to report that had not been covered later in the agenda.
