Youth Gangs in the area, be vigilant and report all issues to the police

**9] AOCB:**

Condition of Roads and pavements in Haig Crescent & Adamson Crescent, full of potholes, also cars speeding along these roads, some marking of damaged areas in Robertson road, so we have to assume that some repairs will take place shortly.

Flooding on playing field and condition of footpath adjacent to park, no lighting.

Colliston Road questionnaire, from 65 posted we received 15 responses with 14 in favour of a committee and 8 willing to be office bearers. We will keep this issue on the Agenda as an ongoing item. Awaiting a response from Brent Vivian of Fife Council.

A general discussion took place regarding this issue throughout the councils' area and we were in favour of the council insisting that developers should not be able to walk away from a development until arrangements have been made for the ground maintenance of open spaces.
