8] **Police Report**

Apologies from Stevie Miller and I, we are unable to make the meeting tonight due to other commitments. Looking at the incidents for the past month it appears that there seems to be a small risk of thefts occurring. Obviously kids are out playing on their bikes or leaving toys, tents etc in gardens so any unattended item has the risk of disappearing by opportunists. Could you let the residents be aware to be more security conscious with regards to belongings and ajar doors. With regards to the last month's meeting re:- the unregistered 6 Tonne dumper Truck (there has been no trace), Parking at coop Townhill, this will be monitored and action taken accordingly. Speeding on Robertson Road - I have attended on numerous occasions and there was no traffic offences having been committed. Sorry this report is short but it appears that even criminals go on holiday. See you next month. PC Lori Ferguson Community Dunfermline

9] **AOCB:**

Derek Moore Association of CC alternative way of communicating details supplied.
Signage for Railway station on Whitfield Rd removed for resurfacing of cycle path??
Water on Townhill Rd.
Cycle tied to Lamppost.

Proposal, to have next year's AGM in June.
