- 8] **Police Report** This was taken early to allow the officers to return to duty. There have been no major crimes of note, Crime bulletins have been minimal. Starting this week there has been a Christmas Campaign in the High Street. They have a new toy, a Rapid Deployment Camera, which can be attached to a lamppost and monitored remotely. This can target Anti-Social Behaviour, there are now 4 officers now deployed on Bikes to be quickly be on site as necessary. All Pubs on board with Radios networked to the police, also shops. Youths are drinking alcohol on waste ground near Paton Street, Also Tesco Store on Dulloch Park is a problem. Bellyeoman School had been targeted for minor Vandalism. Derek commented on Parking on the pavement adjacent to the new Mini roundabout at the bottom of Townhill Road, all problems about this were discussed e.g. Road markings.

  - Public Transport**, Discussions on levels of service, because there are only one bus per Hour on Robertson Rd. thus patients travelling to the Hospital from North of this area, they have to travel into the town and travel back to the Hospital, therefore it could take over 2 hours travelling for a 10 minute appointment.. Levels of services in this area were discussed but only 2 busses per hour is not enough?? NHS survey on Transport should highlight this problem. Derek to advise on copy of this plan. Double Deckers are not advisable for the hospital service. Write to Stagecoach again.
