6] **Treasurer's Report:**

No treasurer, no report

7] **Council Issues:**

**Gritting and Bin collection issues:-** We were very concerned over the past month due to the bad weather, there was a lack of these services in our Community Council Area. The black bins were left for up to 4 weeks in some areas between uplifts and residents were left with no details of alternative arrangements. There were access problems in some areas due to the fact that NO gritting had been carried out and the sight of a snow plough was a rare occurrence. Please ensure that services are in place in the future.

9] **AOCB:**

**State of the roads?**, This is an ongoing problem due to the bad weather.

**Bin emptying?** This is an ongoing problem due to the bad weather; a separate Lorry should pick up the additional black bags.

**Robertson Road Flower bed removal**, best thing to happen for road and pedestrian safety, Well Done.

**Cemetery Drains** are still an issue, require clearing due to flooding, Jessie reported.

Dave Paterson is leaving in March for pastures new, we wish him all the best and thank him for all his help in the past. A replacement for his role will follow.

Derek gives his Apologies for the next Meeting.
